

Giving Societies

Giving to Florida Tech is most powerful in community with others. Together we make the greatest possible difference and being part of the family of others contributing to our mission is itself rewarding and fun.

The **Ad Astra Society** recognizes donors for a lifetime of giving. These individuals have often been supporting our mission for many years and we want to thank them for this highest level of support.

The **Galaxy Society** recognizes donors for generous annual giving. Gifts over \$1,000 are recognized in that year as members of this leadership giving circle.

The **Legacy Society** recognizes individuals for giving through estate planning vehicles. These forward-looking gifts demonstrate a deep level of passion and commitment to Florida Tech and ensure a strong future for the university.

Contact Kathryn Brinson, Planned Giving Officer at 321-674-6162 or email kbrinson@fit.edu to learn more about our Giving Societies.
